Namrata Shirodkar

Graphic Designer

About me

I have been working in merchandise designing for past 8 years, but now I am looking forward for a transition into graphic design. I just feel that I've learned what I could, and now it is time to work on bigger campaigns. Looking for a job in a well-established IT company like this one, in order to further develop my designing skills and work on major projects.

Work experience

Celfie Design

| June 2014 - May 2016

Design beautiful, interesting and effective graphics that are impressive and emphasize the company and the product at hand.

Macmerise

| June 2016 - Present

Design and develop engaging graphic elements for websites, social media platforms, and product packaging, including custom logos and illustrations.

Academic background

Graduated from M. D. Collage, Parel

| June 2006 - Dec 2011

Diploma in Hardware and Networking from Kohinoor Institute, Dadar

| June 2011 - Dec 2012
